Our commitment to you

Our commitment to you begins the moment you choose Markel as your insurance company. You expect quality coverage-that's why you buy insurance. But good service, someone who really wants to help you? That almost seems too much to hope for.

From the minute you pick up the phone and talk with our receptionist (a real person, not an automated system!), you'll notice what separates us from the pack-our people.

Our underwriters, claims associates, loss control representatives, and administrative associates are real people, too. We treat you the way you want to be treated: respectfully, courteously, and professionally. When you have a question, we get the answer. When you leave a message, we call you back. You get service, not the run-around.

Our claims staff is experienced, efficient, and effective-everything you expect. What you may not expect is how our loss control and risk management specialists suggest improvements that can help you avoid losses and accidents altogether.

How else is Markel committed to you? Our prudent, conservative approach to fiscal management makes us financially stable, so you have greater assurance of our ability to pay claims when you need it.

Our commitment to you is simple. We treat you right. We deliver what we promise. We are a partner you can rely on for many years to come.

SECTION 2 DEFINITIONS

You, your or yours means the Policyholder shown in Section 1.

We, us or our means Markel Insurance Company.

Insured Person means a member of the class(es) of person(s) as shown in Section 1, while they are covered under this Policy.

Physician means any practitioner of the healing arts, licensed by the state in which he practices and acting within the scope of his license, including a duly licensed podiatrist, surgeon, osteopath, dentist, chiropractor, optometrist, psychologist, physical therapist and graduate nurse. Physician shall not include a member of the Insured's immediate family.

Hospital means a licensed institution including a tax supported institution of the state which has on the premises, or prearranged access to, medical and surgical facilities. It must maintain permanent facilities for the care of overnight resident patients under the care of a Physician. It must have a Registered Nurse (R.N.) always on duty or call. Confinement in the special wing of a Hospital used primarily as a nursing, rest, convalescent or extended care facility is not confinement in a Hospital, unless such confinement is because of a lack of space in the Hospital's full service wing.

Ambulatory Surgical Center or Ambulatory Medical Center means a licensed facility providing ambulatory surgical or medical treatment, other than a Hospital, clinic or Physician's office.

Loss means medical Expense caused by Injury or Sickness and covered by the Policy.

Injury means bodily harm caused by an accident which occurs while this Policy is in force and is the sole cause of the Loss.

Sickness means disease or illness which; (a) is first diagnosed and treated while the Insured is covered under this Policy; and (b) causes a Loss to the Insured which is covered by this Policy. "Sickness" includes Normal Pregnancy and Complications of Pregnancy.

Pre-existing Condition means the existence of symptoms which would cause a person to seek diagnosis, care or treatment within a one-year period preceding the effective date of the coverage of the Insured Person, or a condition for which medical advice or treatment was recommended by a Physician or received from a Physician within a one-year period preceding the effective date of coverage of the Insured Person.

Complications of Pregnancy means conditions whose diagnoses are distinct from pregnancy, but are adversely affected by or are caused by pregnancy. Such complications include, but are not limited to: a) acute nephritis; b) nephrosis; c) cardiac decompensation; d) missed abortion; e) hyperemesis gravidarum; f) preeclampsia; and g) similar medical and surgical conditions of comparable severity. Complications of Pregnancy also includes: a) nonelective Cesarean section; b) ectopic pregnancy which is terminated; and c) spontaneous termination of pregnancy which occurs during a period of gestation in which a viable birth is not possible. Complications of Pregnancy shall not mean: a) false labor; b) occasional spotting; c) Physician prescribed rest during the period of pregnancy; d) morning sickness; or e) similar conditions associated with the management of a difficult pregnancy, but not constituting a distinct Complication of Pregnancy.

Prescription Medicines or Drugs means any medicine or drug, under applicable state law, that is dispensed only with a written prescription from a Physician and has a label bearing the legend: "Caution: Federal law prohibits the dispensing without a prescription." It is also any mixed medicine with at least one ingredient bearing the above legend.

Expense means the Usual and Customary charges for Medically Necessary treatment, service or supplies. Such Expense shall not include any amount not customarily charged to persons without insurance.

Usual and Customary Expense means an Expense which (a) is charged for treatment, supplies or medical services Medically Necessary to treat

the Insured's condition; and (b) does not exceed the usual level of charges made for similar treatment, supplies or medical services in the locality where the Expense is incurred.

Medically Necessary means medical services, supplies or treatment authorized by a Physician to treat an Insured Person's bodily Injury which are: (a) consistent with the symptoms or diagnosis; (b) appropriate and accepted according to good medical practice standards; (c) not primarily for the convenience of the Insured Person, Physician or other providers; and (d) consistent with the most appropriate supply or level of services which can safely be provided to the patient.

The Aggregate Limit of Indemnity stated in Section 1 shall be the total limit of our liability for all coverages payable under the Policy with respect to all classes of Insured Persons arising out of Injury sustained by two or more Insured Persons as the result of any one accident. If the total of such indemnities exceed the Aggregate Limit of Indemnity, we shall not be liable to any one Insured Person for a greater proportion of such Insured Person's indemnity than said Aggregate Limit of Indemnity bears to the total indemnities afforded by the coverage to all such Insured Persons.

Deductible means the amount an Insured is required to pay as provided by the applicable coverage under this Policy in the event of a Loss.

Home Health Care Expenses means the care and treatment of an Insured who is under the care of a Physician, only if hospitalization or confinement in a skilled nursing facility as defined in title XVIII of the Social Security Act would otherwise have been required if home care was not provided, and the plan covering the Home Health Service is established and approved in writing by such Physician. Home care shall be provided by a certified home health agency possessing a valid certificate of approval issued pursuant to public health law.

Subrogation

When benefits are paid to or for an Insured Person under the terms of this Policy, we shall be subrogated, unless otherwise prohibited by law, to the rights of recovery of such Insured Person once the Insured has been indemnified for his Loss, against any person who might be acknowledged liable or found legally liable by a Court of competent jurisdiction for the Injury or Sickness that necessitated the hospitalization or the medical or the surgical treatment for which the benefits were paid. Such subrogation rights shall extend only to the recovery by us of the benefits we have paid for such hospitalization and treatment and we shall pay fees and costs associated with such recovery.
