

## HOP TO IT! Support Our Youth!

Youth are a vital asset to the continuation and perpetuation of square dancing. We need to make sure that they feel secure as a member of our family. Unfortunately, in some cases, they are made to feel out-of-place or even unwelcome.

The Frog has been established as the universal symbol of our youth dancers. In an acknowledgement that not everyone is ready for the high energy and exuberance shown by our youth, advisors wanted to establish an easily recognizable symbol that would tell younger dancers “you are welcome to dance with me!” The illustrious (and friendly) Frog was selected.

Young dancers know that if they see another dancer with either a frog sticker or a dangle on their badge, that dancer welcomes and enjoys dancing with youth. Want to show your support? WEAR A FROG!!!

HOW DO I GET A FROG? Order a supply of frog stickers through USDA or purchase a frog dangle from your favorite badge vendor. As a part of its ongoing efforts to promote youth participation in square dancing, USDA is providing frog stickers free to those interested in the program. We sincerely hope you will order enough for your fellow dancers and make them aware of the program.

Please wear a frog and help to insure the future of square dancing by supporting the youth of today. We will be happy to send as many as you need. Order as often as you like.

To order frog stickers and/or receive additional information regarding the youth program see the [www.usda.org](http://www.usda.org) web site or email the Youth Advisor at: [usda.youth.advisor@usda.org](mailto:usda.youth.advisor@usda.org)

Greek Letters to be worn **only** by  
Youth Dancers

**ΥΣΔ**

The United Square Dancers of America have adopted these Greek letters to represent Youth Square Dancers of America. We are accustomed to the double square, the square and circle, the frog, music notes, etc. We accept those symbols as an ordinary part of our activity. So now is the time to introduce a new symbol – one to identify our youth dancers and give them a “new image.”
