

## Distribution of Handicapable Funds

Since it is difficult for Handicapable clubs to know exactly how many of their members will be attending until the convention actually occurs, the allotment of funds will be addressed in the following manner.

The application for registration reimbursement must be received by July 31<sup>st</sup> indicating the number of Handicapable dancers in attendance at the National Square Dance Convention® just past.

The amount of reimbursement could be anywhere from partial registration reimbursement to full registration reimbursement. The total per Handicapable dancer will not exceed the full registration fee.

The amount of reimbursement depends on available funds and the number of requests. The amount of funds available will be determined at the USDA annual meeting. The funds available will be divided equally among those submitting applications.

Once all applications are received by the cut-off date of July 31<sup>st</sup>, the Handicapable Committee will review all forms for completeness and then send them on to the Treasurer for reimbursement. A check will be sent to the contact person in the club's name.
