The USDA Credit Card Affinity Group Program with MBNA America Bank will terminate on July 31, 2006.

USDA thanks the many dancers who supported Square Dancing with the USDA Credit Card. Funds generated over nearly two decades have provided significant financial support for Youth, Handicapable, and Affiliate programs nationwide.

USDA is looking into other sources for a replacement Credit Card. We look forward to your continued support for a new USDA Credit Card that will identify you as a Square Dancer and benefit Square Dance Programs.

Happy 25th Anniversary, United Square Dancers of America! As the old commercial says, “You’ve come a long way, Baby!” As we reflect back on the few years we have been associated with this fine organization, we are both amazed and proud of what has been accomplished; but we are even more proud to have been a part of it. We want to thank all of the past officers and committee chairmen of the executive committee that have devoted so much of their time and talent over the years. Without these fine folks, we would not be celebrating our 25th Anniversary.

For all of you that have taken time to join us in this special celebration we are so glad that you are here. All of the past officers and committee people, we are especially glad that you are here. We appreciate the invited guests being here. We hope that you will enjoy the meeting and celebration that we are having. If any of you have any questions about the United Square Dancers of America and its programs or if you just need general information, do not hesitate to ask any of us on the executive committee.

Let me invite and encourage you to join us Friday night in Ballroom A for our After Party. We are inviting the entire family of dancers to our After Party (Mama, Poppa, Grandma, Grandpa and the kids) for this special dance.

We hope that you enjoy the special handouts that are here at the meeting and we will have others at the after party. The time for the after party is from 10pm until midnight.

It has been our extreme pleasure to serve as your President of the United Square Dancers of America this year.

Charlie and Kitty Holley

The current USDA Credit Card Program will terminate on July 31, 2006. (See news release 2006-02 for details). A brief history of the program follows.

The USDA Board of Directors approved an affinity credit card program in June 1988. The program was initiated in 1989 with all proceeds being returned to USDA Affiliates. The Board of Directors, at the June 1996 Annual Meeting, revised the distribution plan - one half to Affiliates, one quarter each to the Youth and Handicapable Dancer programs.

Funds generated over nearly two decades have provided significant financial support for Youth, Handicapable, and Affiliate Programs nationwide.

The Youth program promotes the introduction of youthful dancers and youth organizations to the square dance activity. Education and training materials are developed and distributed to promote youth square dancing and leadership. A Youth Scholarship program was established with a scholarship awarded annually. Youth after parties are sponsored by USDA at National Conventions. These and other youth programs are currently administered by the USDA Youth Advisors, John & Alitia Becker, Email - usda.youth.advisor@usda.org

The Handicapable Committee is working to further the interaction of handicapable dancer groups throughout the nation, and to achieve interest and recognition of the handicapable dancer as an integral part of the square dance activity. Financial assistance has been on-going to the US Handicapable Association to help with their Convention (East) and to the West Handicapable Convention group. Funds are provided to handicapable clubs to help pay for National Convention registration fees. This program is currently administered by Al & Portia Bruning – Email – usda.handicapable.dancers@usda.org

Affiliates: Affiliates have shared three (3) large distributions of funds to use within their State/Association to promote square dancing including recruiting, publicity, seminars, education, and other expenses.

Additional funds from the Credit Card Program are being held in escrow, pending release by the USDA Board of Directors, as need arises.

The USDA Credit Card Program has provided many tens of thousands of dollars over the years to support these important programs. Its demise is due to the very low enrollments of dancers even with extensive in-house and bank promotion.

USDA is looking into other sources for a replacement Credit Card. The full support of affiliates and dancers will be needed to convince a bank to enter into an agreement for another Square Dancer Credit Card.

Credit Card Program Chairman
ARE YOU DANCING UNINSURED

Every square dance organization needs General Liability and Accident Medical Expense coverage while conducting and sponsoring dance activities. As closely as safety rules are followed, accidents can and will happen. This insurance program, especially designed for USDA dance groups, provides Accident Medical insurance, which helps protect club members from financial loss due to a covered accidental bodily injury, and Liability insurance, which protects the club and its members and association officials from financial loss due to unforeseen incidents which may develop into litigation against members and dance organizations.

LIABILITY INSURANCE

Limits of protection: $1,000,000 combined single limit of liability for bodily injury and property damage per occurrence (subject to a $100 property damage deductible per claim) while participating in scheduled and sponsored dancing activities. $100,000 limit for damage to premises rented to you.

Who is covered: The club and its members while participating in club or organization sponsored and supervised dancing activities. Liability coverage applies in the United States, its territories or possessions, and Canada.

ACCIDENT AND MEDICAL INSURANCE

Limits of coverage: $10,000 Usual and Customary Accident Medical Expense, including Dental $10,000, Accidental Death Benefit $10,000, Accidental Dismemberment Benefit (loss of both hands, both feet, sight of both eyes, or any combination thereof), $5,000 Accidental Dismemberment Benefit (loss of one hand, one foot, sight of one eye).

Note: Coverage is excess to any other valid and collectible medical insurance covering the same accident. Coverage provided for covered medical expenses incurred within 52 weeks of the accident up to $10,000 for all eligible expenses as stated in the Policy.

Who is covered: Club members will be insured while participating in any regularly scheduled and sponsored dancing activity worldwide, including group travel (10 or more club members) in a vehicle commercially licensed for transportation of passengers and operated by a person holding a valid operators license for such vehicle, while being transported to or from a covered dancing activity.

What is covered: Accidental bodily injury sustained by an insured person while participating in dancing activities sponsored and supervised by a recognized club or organization.

Period of coverage: The insurance year is January 1 through December 31. Coverage becomes effective for individual clubs under the policy on the day the application and premium for insurance is received by the USDA National Insurance Coordinator. There is no pro-rate provision. This is necessary due to the large administrative expense of maintaining different policy dates.

ACCIDENTS CAN AND DO OCCUR
UNITED SQUARE DANCERS OF AMERICA
TWENTY-FIVE YEARS OF GROWTH - PROGRESS - SERVICE

The June 21, 2006 Annual Meeting of the United Square Dancers of America, Inc. (USDA) in San Antonio, Texas will mark the completion of twenty-five years of growth, progress and service for The National Dancer organization. This year, under the leadership of Presidents Charlie and Kitty Holley of Alabama, as has been the case during each of the preceding twenty-five years, the USDA has accepted new affiliate members. On this occasion, the Alamo Square Dance Association of Texas chose to join the USDA completing twenty-five consecutive years of new dancer organizations seeking affiliation with the United Square Dancers of America.

With the addition of Alamo Square Dance Association, there are currently 58 state, regional, and area dancer associations that are now full affiliates of the United Square Dancers of America. It should be noted that not all states have statewide square dance organizations. To accommodate this situation, USDA accepts affiliation from major regional and area square dance groups as well as state associations. Each of the affiliates is afforded equal voting rights. Beginning with eleven charter member affiliates in 1981 USDA has accepted new affiliates each year since. USDA is divided into four regions - West, Plains, Central, and East.

Held each year in the city hosting the National Square Dance Convention® these Annual Meetings are open for all to participate. The 55th National Square Dance Convention® in San Antonio, Texas will be the setting for this year’s Annual Meeting of the United Square Dancers of America.

As part of these Annual Meetings, USDA conducts its business including reports from the officers and the various operating committees. The USDA Officers - President – Charlie and Kitty Holley, AL, and each of the four Vice Presidents - Western Region - Michael and Kimberlee Streby, CA; Plains Region - John and Alitia Becker, LA; Central Region - Bill and Bobbie Shepard, TN; and Eastern Region - Len and Connie Houle, MA; Secretary - Si and Marilyn Kittle, WI; and Treasurer - Bill Flick, PA will report as to the status of USDA within their areas of responsibility.

As part of each USDA Annual Meeting all of the other National Organizations - CALLERLAB; National Square Dance Convention® Executive Committee; ROUNDALAB; USAWEST Square Dance Convention Policy Board and the Alliance of Round, Traditional and Square Dance (ARTS) are afforded an opportunity to address the USDA Board of Directors and present their organization’s position on the various issues which face the Square Dance movement.

In addition, all of the various committees report on the progress of the past year and the potential for the future:

Badges - Joy Vaccari
Budget Committee Chairman - Bill Flick - Treasurer
Credit Card Program - Joe and Joy Vaccari
Education – Bill Appel
Handicapable Dancers - Al and Portia Bruning
Historian - Al and Portia Bruning
Long Term Care Program – Bill Appel
Immediate Past President - Jim and Edythe Weber
In conjunction with the annual National Square Dance Convention®, United Square Dancers of America participates in the Convention’s Showcase of Ideas with eight full tables of educational, promotional and informational materials furnished FREE to all dancers - members and non-members alike.

Over the course of the twenty-five years of Annual Meetings, virtually each meeting has seen the initiation of a new program to benefit the Square Dance activity. This twenty-fifth Annual Meeting will be no exception.

These programs have all been initiated to benefit USDA and its affiliate members:

USDA’s Twenty-Fifth Anniversary – San Antonio - 2006
USDA “Add-A-Buck” Program to Benefit ARTS – Portland - 2005
Long Care Term Care Insurance – Denver - 2004

Another significant event, which occurs during each Annual meeting, is the election and installation of new Officers for the ensuing year. This year’s Annual Meeting will be no exception.

Officer positions to be elected during the 2006 Annual Meeting in San Antonio to lead USDA for the 2006-2007 year will be:

- President
- Eastern Region Vice President
- Central Region Vice President
- Plains Region Vice President
- Western Region Vice President
- Secretary
- Treasurer

Under the stewardship of these very qualified leaders, the United Square Dancers of America is looking forward to yet another year of continued GROWTH, PROGRESS AND SERVICE.

While there has been continual progress and growth of this National Dancer organization, the one thing that has not changed from the very beginning is the amount of the dues paid by the affiliate. In 1981 a dues schedule was established which allows a state organization to affiliate with USDA for $100 per year - this dues schedule has never changed - and there is no anticipated change planned in the near future. Most organizations affiliating with USDA have, in fact, had their dues re-paid through participation in the various revenue sharing programs developed over the years.

All of these things have contributed to establish United Square Dancers of America as the Largest Square Dance Organization in the World.
The United Square Dancers of America want you to be recognized as an affiliate of USDA by wearing the official outfit of USDA. The outfit is not singularly worn by the Executive Committee, but can be made and worn by any dancer wishing to display their pride and support of USDA.

The USDA Handicapable program is monetary in nature. The primary purpose of the program is to allocate monies generated by USDA's Credit Card program toward the registration fees of eligible Handicapable dancers who attend the National Square Dance Convention. The only requirement to be eligible for the registration fee reimbursement program is to be a Handicapable dancer in a Handicapable club. Any Handicapable club in the United States may apply for these funds. Currently, the Committee is seeking applications for the National Square Dance Convention to be held in Charlotte, North Carolina June 27-30, 2007.

In 2003, the program was expanded to benefit the National Handicapable Square Dance Conventions. In 2003, $750 was donated to the first United States Handicapable West convention held in Las Vegas, Nevada. In 2004, the same amount was donated to the 9th National Handicapable Convention held in St. Petersburg, Florida. In 2006, another $750 was donated to the 10th National Handicapable Convention which will be held July 27 – 29 in Baton Rouge, LA.

The Handicapable Committee is interested in reaching as many Handicapable dancers as possible. If you are aware of a Handicapable square dance club in your area, please e-mail the name and address of the contact person to usda.handicapable.dancers@usda.org. With your help, the program can and will benefit even more Handicapable dancers.
