## Are You Dancing Uninsured?

Every square dance organization needs General Liability and Accidental Medical Expense coverage while conducting and sponsoring dance activities. No matter how closely we follow safety rules and protocols, accidents can happen! United Square Dancers of America offers a comprehensive and affordable dancer insurance program.

The USDA program includes accident medical insurance for individual dancers participating in dancing activities, which can supplement a dancer's other medical insurance coverage. The insurance program also provides liability insurance to protect clubs, their members, and association officials. USDA insurance is available to USDA affiliate organizations at a reduced rate, as well as to other dance organizations at a higher non-affiliated rate.

For more information about the USDA Insurance Program, check out our website at [www.usda.org/insuranc.htm](http://www.usda.org/insuranc.htm) or contact the USDA Insurance Coordinator at [usda.insurance@usda.org](mailto:usda.insurance@usda.org).
