The U.S. Handicapable Square Dance List established by "HANDILAB"

This list is the Basic list and is used to call to an open floor during the U.S. Handicapable Convention. There is also a list above the Basic; it is used when calling a workshop or to advanced floor.

Both lists are being printed for your benefit. If you or your club comes to the U.S. Handicapable Convention, your dancers should be ready to dance the Basic list. If they wish to dance during an Advanced session they will need to be able to dance the advanced list. The same rules apply to callers while calling these types of sessions at the Convention.
