## **Competition in this Recreation**

### **Youth Thrives on the Challenge!**

Disapproval of competition in the square dance movement has been expressed by some but the positive aspects are far greater than the negative. The competition in teen square dancing is an avenue for pre-teen and teen square dancers, square dance callers and round dancers to display their accomplishments, meet new friends and dance within their own age group.

The Teen competition has been a starting-ground for many of the caller/cuer, teacher, dancer, club executive who keep the recreation healthy. The fact that many adults active in square dancing today share the common experience of having competed in teen competition dancing.

If you were to attend a teen competition as a spectator, without knowing it was competitive, you probably would not even realize that there were trophies to be won. You would see the finest display of square dancing and round dancing done smoothly and comfortably with impeccable timing and styling.

The youth are learning self-confidence and fair play while enjoying themselves and making life-long friends. The onlooker sees a large number of pre-teens and teens involved in a safe recreation while learning how to interact with adults. You also see older teens acting as good role models for the younger participants.

The United Square Dancers of America endorse the practice of competition square and round dancing for youth.

Most young people enjoy competition and we believe this will help to perpetuate and promote Square Dancing.

The United Square Dancers of America would strongly disapprove of any competition that would embarrass or humiliate a dancer, no matter the age or circumstance!

The United Square Dancers of America is aware all dancers do not approve of competition square dancing. We hope this information will help them understand our position on this subject.
