

UNITED SQUARE DANCERS OF AMERICA, INCORPORATED

GOVERNING BODY

The UNITED SQUARE DANCERS OF AMERICA, INC. is directed and governed by a Board of Directors. The Board of Directors consists of Delegates from each USDA Affiliate. The Board meets annually to conduct any required business of the organization, receive reports from the Officers and Committee Chairmen of the Executive Committee, and to elect USDA officers.

The annual Board of Directors Meeting is held during the week of the National Square Dance Convention each June. The USDA President designates the day, date, time, and place of the meeting.

The Executive Committee consists of the elected officers, the immediate Past President, the appointed officers, and the chairmen of the standing and special committees. The past presidents serve as advisors without a vote.

The Executive Committee carries out directions of the Board of Directors and plans and conducts the administrative and operational activities of the organization. The Executive Committee meets three times each year. The Executive Committee meets once in January and twice in June of each year. The members of the Executive Committee keep the President informed of activities, trends, programs, and problems they come in contact with which could affect the USDA and the square dance movement.

No two elected officers can be from the same Affiliate. No officer can hold more than one office at a time. No elected or appointed officer may simultaneously serve as a USDA Director. Square Dance professionals are not eligible to serve as officers. The term of office for all officers is one year. The President is not eligible to serve more than two consecutive terms. The Vice Presidents, Secretary, and Treasurer cannot serve more than three consecutive terms.

Normally all meetings of the USDA are open to everyone, however, visitors may not make motions, debate, or vote.

The business of the UNITED SQUARE DANCERS OF AMERICA, INC. is conducted on a representative basis and parliamentary procedure is followed to the greatest extent possible at all meetings. Meeting procedures are guided by the current edition of "Roberts Rules of Order Newly Revised" in all instances which are not contradictory with the By-Laws or any special rules which USDA may adopt.
